

ABOUT BRICK CHURCH

One of the preeminent Presbyterian churches in New York, Brick Church is a spirited urban sanctuary filled with music, activity, and friendly faces. We are a multigenerational family engaged on a Christian journey, bound by our dedication to formal worship, education, fellowship, service, and tradition.

The Brick Church recognizes that one of the challenges of living in a large city is creating a way to reach beyond the anonymity to live in community. One of the ways we seek to do this is by creating opportunities for men's, women's and coed ministries through specific events, but also through education, outreach, and worship programming.
